13 June 2025

Att: Ms Shamyn Louw/Ms Iyaloo

**Subject: Letter of Appreciation**

On behalf of the management, staff and parent body of WAKA, I wish to extend our sincere gratitude to your team for your insightful and impactful presentation during our recent parent engagement sessions held on 11th and 12th June respectively.

Your presentation on *Parenting in the Digital Era* was both timely and enlightening. It offered practical strategies and critical perspectives that empowered our parents to better understand and support their children in navigating the complexities of today's digital world.

Furthermore, we wish to acknowledge the invaluable information shared regarding the counselling services and other services provided by your institution which strongly aligns with our commitment to the holistic development of every learner. The professional and compassionate approach you brought to the discussion was well received, and we are confident that many of our families will benefit from the support you offer.

The board put on the premises as well as the brochures and posters will definitely serve as another tool to disseminate information to the general public as well as our school community about the existence of your institution and services offered!

We are grateful for your collaboration and look forward to potential future partnerships aimed at enhancing the well-being of our learners and their families.

Once again, thank you for your meaningful contribution to our school community.

Warm WAKA regards

Ms L. Jakazi  
Principal
